

Mission

Russian Center New York aims to connect entrepreneurs, investors, scientists, intellectuals from Russia and the US in order to promote US-Russian cooperation and develop positive approaches and ideas.

In the process, we will dissolve barriers of political, bureaucratic, or cultural misunderstanding.

Values

Russian Center New York

acts as a direct communication channel linking two countries – Russia and the US.

helps build strong business relations and humanitarian affairs between Russia and the US.

serves as a bridge to carry views and ideas through every possible barrier.

values harmony in Russia-US business and humanitarian relations.
